ANNUAL REPORT 2022-2023

ONE PERSON AT A TIME

And then he told them, "Go into all the world and preach the good news to EveryONE" - Mark 16:15 (NLT)

In 2013, the Global Council of Empowered21 adopted a bold vision, "That every person on earth would have an authentic encounter with Jesus through the power and presence of the Holy Spirit by Pentecost 2033." With over 8 billion people on our planet today, it is vital that each and every one of them has the opportunity to hear the good news of Jesus and to know personally the God who created and loves them.

Several years ago, while on a prayer retreat, I asked the Lord "How are we going to reach every person on this planet and give them an opportunity to encounter Jesus?" The Holy Spirit spoke a simple and profound answer to me, "One Person At A Time." That encounter birthed the EveryONE Initiative, a global call to mobilize the Church to take the Gospel to every single person on earth by 2033, the two-thousand-year anniversary of Christ's Crucifixion, Resurrection, the Day of Pentecost and the giving of the Great Commission.

It is not enough to talk about reaching every person on earth. Instead, we must actively do something to make it happen. This is why Empowered21 launched the EveryONE Initiative Fund. This strategic tool supports front-line evangelistic efforts aimed at spreading the Gospel to those who have not yet had the opportunity to hear it.

This concept was tested in late 2022 and early 2023 then publicly launched at the Amsterdam2023 EveryONE conference this June. God has done an incredible work in these last few months. Thanks to your generosity we raised over \$7 million in funding for evangelism and supported 65 projects impacting more than 70 countries. Millions of people had an opportunity to know Jesus for themselves. This report will give you a glimpse of some of these fantastic initiatives.

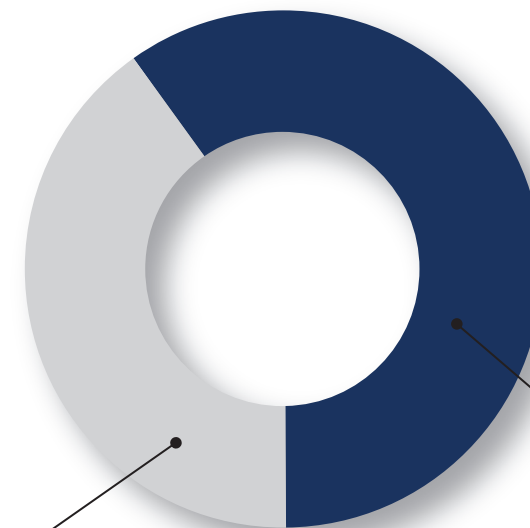

This is only the beginning. We believe that over the next decade God will help us raise and strategically deploy the financial resources to get the Gospel to every person on earth. That cannot happen without you!

WE ARE JUST GETTING STARTED

This initiative is centered on the vision that every person on earth should have an authentic encounter with Jesus Christ through the power and presence of the Holy Spirit by Pentecost 2033. We not only believe it is possible, but we also believe everyone has a role to play as we make it a reality!

By partnering with ministries, organizations, and frontline leaders in the areas where the Gospel is least accessible, we can enable the Church to make the greatest impact and achieve the largest harvest in history. With the EveryONE Fund, we can ensure that every effort, contribution, and opportunity is utilized to spread the good news to every person.

Our journey has just begun, and we are fully committed to making every effort possible to ensure it happens! Ministries and organizations from all over the world are joining us, bringing with them creative projects and innovative ideas to help spread the message of Jesus. Donors and institutional partners are embracing this strategic initiative, and individuals who were once lost are receiving the good news!

Reaching everyone requires everyone, and we cannot do this without you! Thank you for joining the journey towards history's most significant decade of Great Commission effort!
