REACHING EVERY PERSON ON EARTH

"...And everyone who calls on the name of the Lord will be saved"
Acts 2:21

As I read this passage in Scripture, I am reminded of what I believe is one of the greatest injustices in the world today. A vast number of people have yet to have an opportunity to call on the name of the Lord and receive his love, forgiveness, and gift of everlasting life.

Alongside the Empowered21 Global Council, we recognized that something significant and bold should be done to mobilize the Church to take the Gospel to every single person on Earth by 2033, the two thousandth anniversary of Christ's Crucifixion, Resurrection, Day of Pentecost, and the giving of the Great Commission.

At Amsterdam2023, we launched the EveryONE Initiative to build bridges between the most impactful evangelistic initiatives across the movement and the radical generosity of churches, organizations, and leaders around the globe. To this date, we have seen over 16.2 million people receive a clear presentation of the Gospel through the work of 128 ministry partners on 163 projects in 92 nations. Even more exciting, 4,095,275 of them decided to follow Jesus! To God be the Glory!

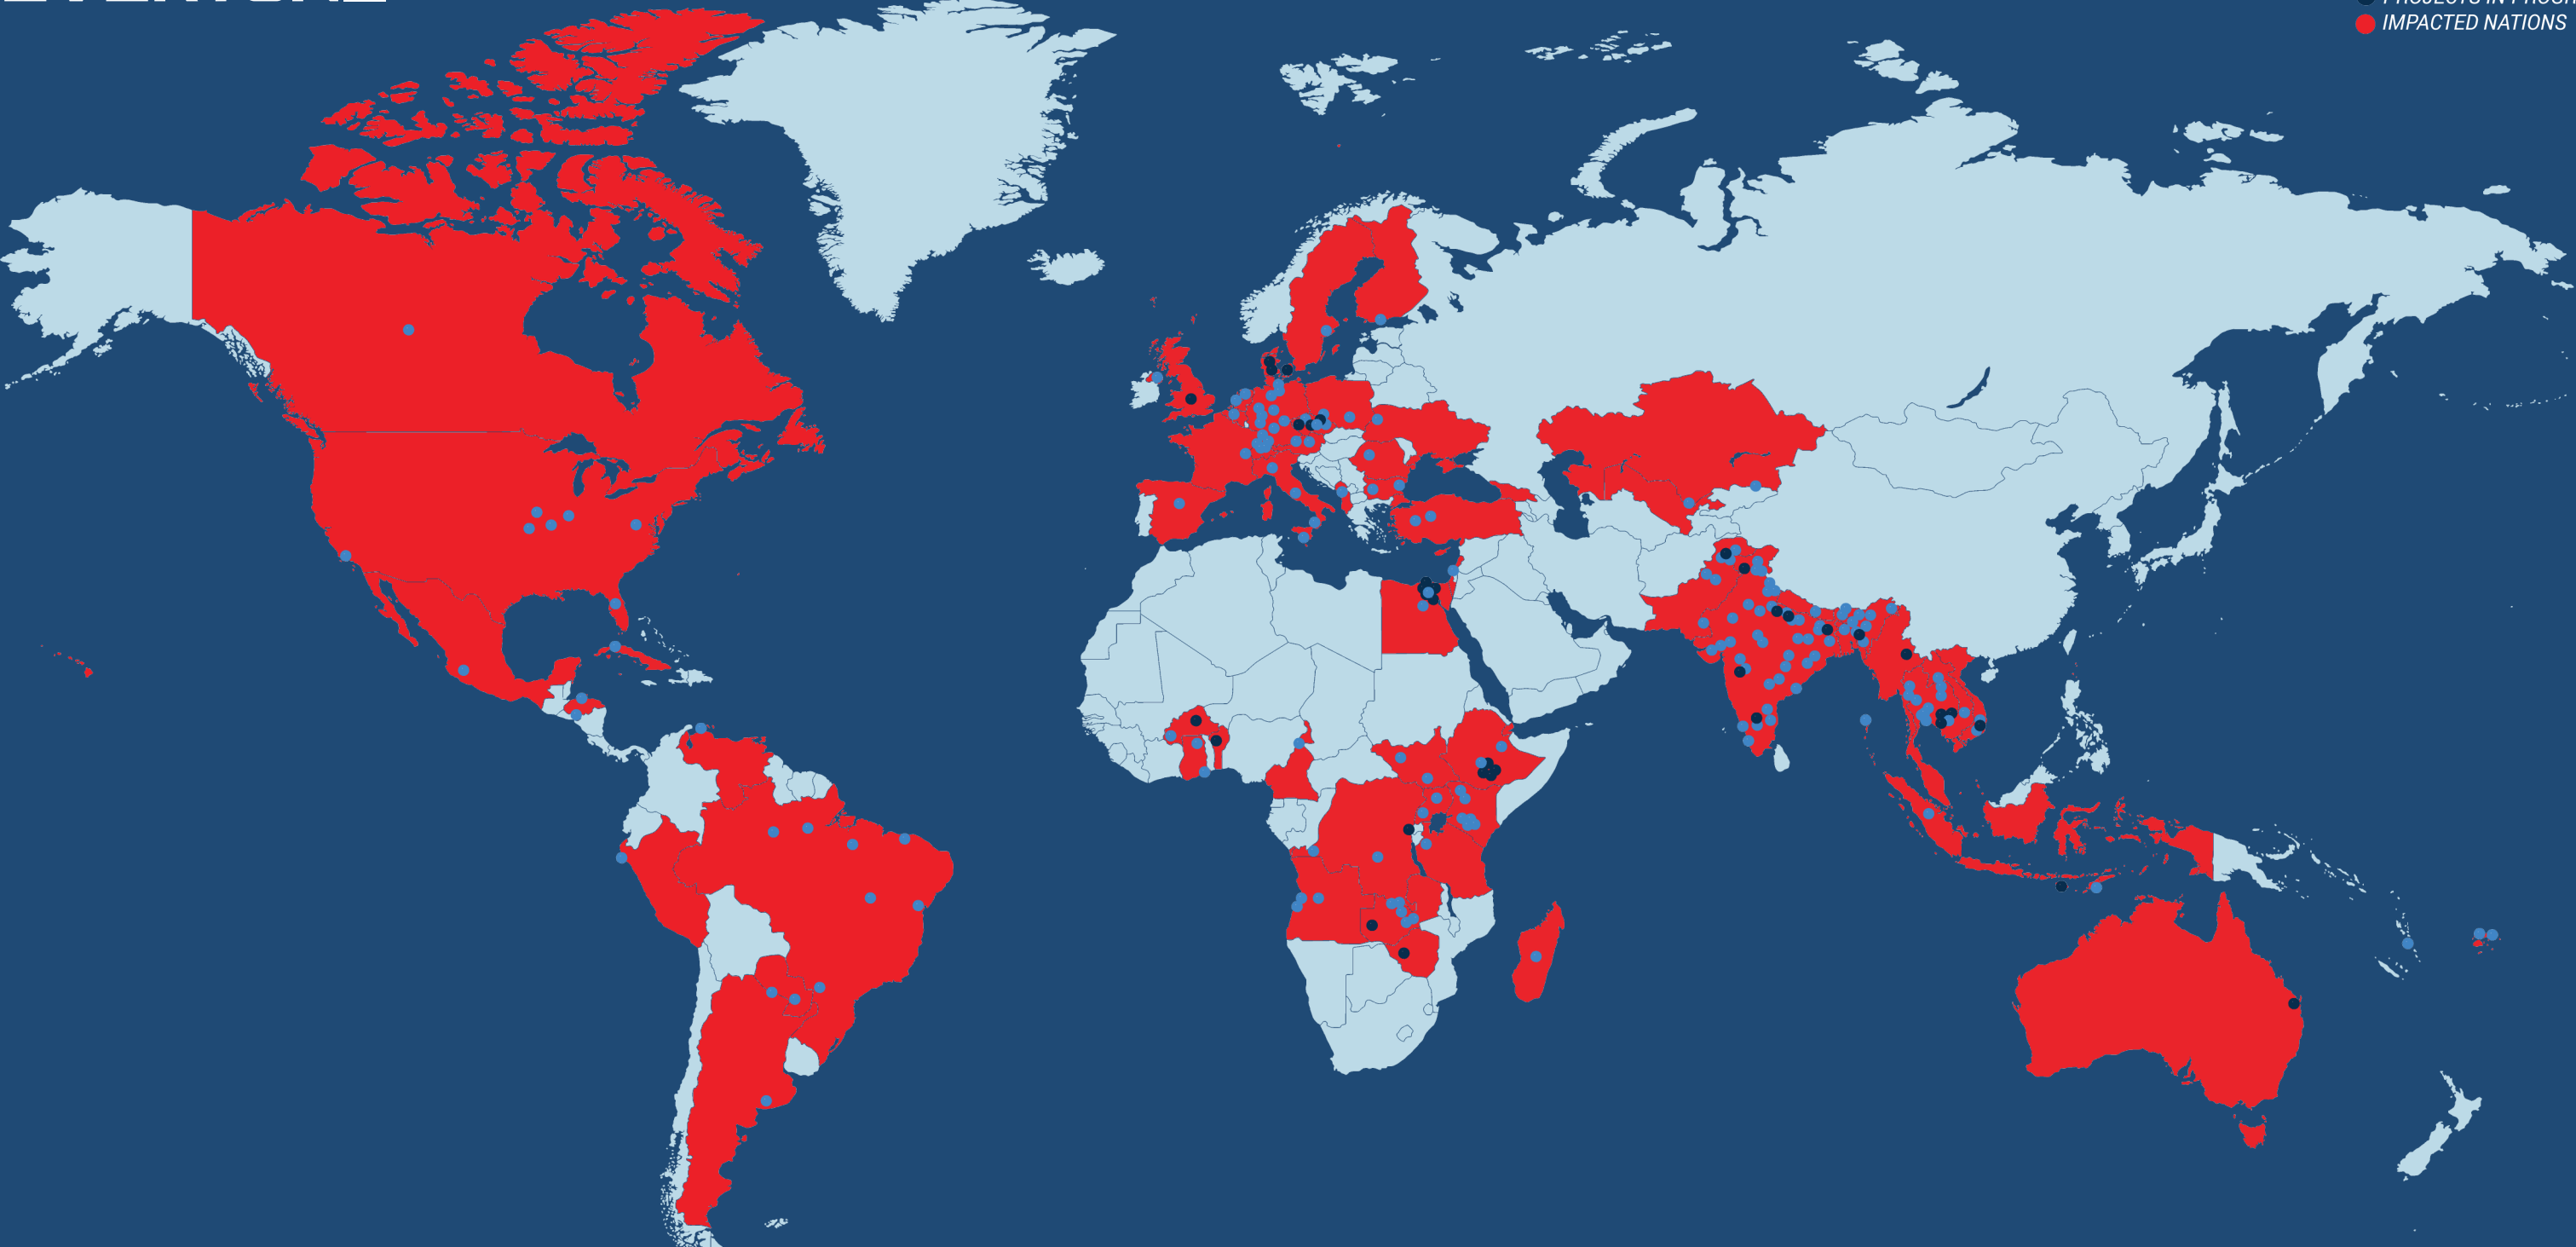

Thank you for being a part of this unprecedented Great Commission effort. Momentum is building, and the work is just getting started. Every day, we continue to go after EveryONE!

TESTIMONY FROM IN HIS NAME MINISTRIES

Workinesh, a 45-year-old mother of thirteen, had struggled with deep depression for many years. "I had no joy, no hope," she shared, burdened by a heavy sense of despair. But after attending our crusade, everything changed. The dark cloud of hopelessness lifted, and the peace of God filled her heart and mind. With a smile that stretched from ear to ear, Workinesh joyfully proclaimed the greatness of God, her life transformed by His love and healing.

TESTIMONY FROM GLOBAL GOSPEL ACTION

In Kotri, Pakistan, a crowd gathered to hear the Gospel proclaimed. As the event continued, an 8-year-old Muslim boy heard Jesus speak to him, saying, "One day you will preach my Gospel like this evangelist." At that moment, he was overwhelmed with emotions and came forward to tell what he had heard. As the boy came forward, the event leader put his traditional Pakistani vest on the boy, telling him it would be a reminder of his supernatural calling. That very day, the young boy and his mother surrendered their lives to Jesus.

TESTIMONY FROM INDIA

TESTIMONY FROM JOHN SMITHWICK MINISTRIES INTERNATIONAL

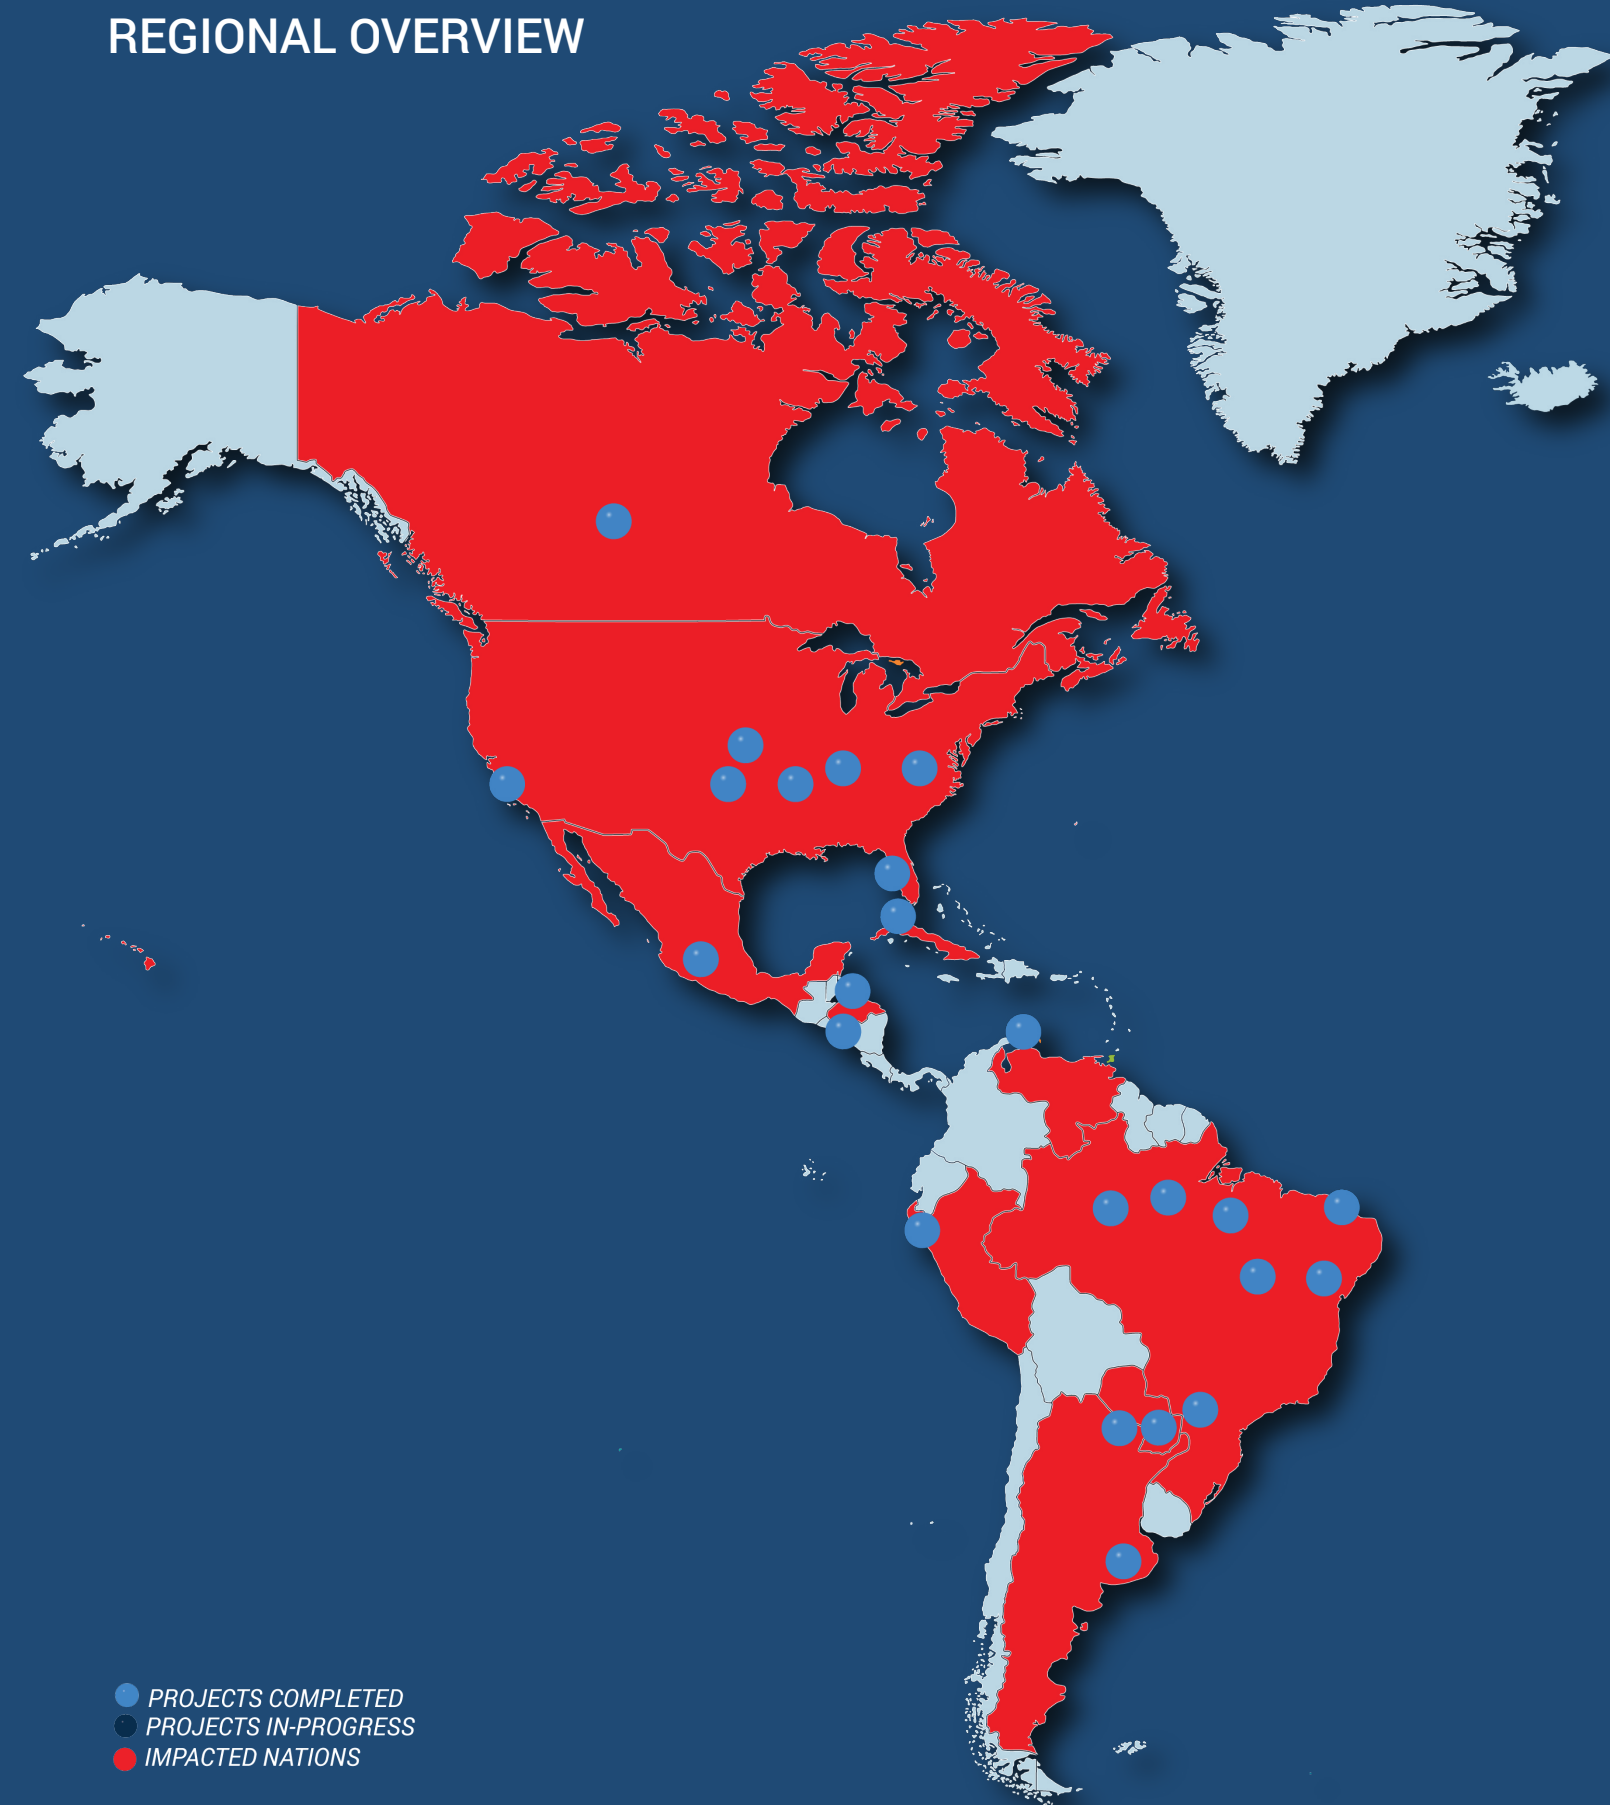

Federico, an 8 year old boy from Paraguay experienced a touch from God as the Good News was preached in his neighborhood. Three years ago, Federico experienced an illness that left him unable to walk. After a prayer for healing, Federico was miraculously healed and took three steps on his own for the first time in years. He later shared his testimony at a festival, taking more steps alone. After three years of inability to walk and consultations with several doctors, Federico was now beginning to stand and walk again. During a home visit, Federico declared that he would be healed that day and took 15 steps with assistance, the most he had walked since his illness.

He was encouraged by the team ministering to him, saying he aimed to continue taking at least one more step a day. There was a church leader present who was also struggling with mobility caused by illness. Federico and the church leader made an agreement to continue walking together, believing for their complete healing, and dreamed of one day playing soccer together.

DIGITAL & RESTRICTED ACCESS PROJECTS

As we strive to share the Gospel with every person on Earth, we recognize the realities of sensitive access areas where non-connectional approaches and low-profile communication are necessary to ensure the viability of many projects and safeguard the identity of our partners.

In 2024, we were privileged to come alongside multiple partners, making Jesus known courageously and creatively where the Gospel is least accessible.

In 2024, over four months, leading ministries from the Global Evangelist Alliance united in the nation of El Salvador to see the vision become a reality. From the initial Pastors Conference held at the end of January, to the last crusade in the capital, San Salvador, in April, we saw over 1/3 of the nation of El Salvador evangelized with the Gospel of Jesus Christ. This initiative covered major cities and rural areas with impactful outreach events like Gospel campaigns, pastors conferences, prison outreach, discipleship training, school and youth outreach, and street evangelism. Follow-up programs connected new believers with local churches and digital discipleship plans. Our national campaign for 2025 will target the nation of Thailand.

EVERYONE PROCESS

A distinctive feature of the EveryONE process is its thoughtfully structured application stages, designed to ensure that the efforts and resources of both our generous donors and our remarkable frontline ministry partners are maximized and well-served. This multi-stage process guides applicants through a comprehensive review, helping to ensure that their projects align with the goals of the initiative.

WITH YOUR HELP WE CAN REACH **EVERYONE**

The EveryONE Initiative is anchored on the vision that every person on Earth should have an authentic encounter with Jesus Christ through the power and presence of the Holy Spirit by Pentecost 2033. We not only believe it is possible, but we also believe everyone has a role to play as we work together to make it a reality!

As we partner with ministries, organizations, and frontline leaders in the areas where the Gospel is least accessible, we are enabling the Church to reap the largest spiritual harvest in history. Through the EveryONE Fund, we can ensure that every effort, contribution, and opportunity is utilized to spread the Good News to every person.

Thank you for prayerfully and generously giving towards this fund! We are fully committed to making every effort possible to ensure that every person on Earth has a chance to hear the Gospel. Ministries and organizations from all over the world are joining us, bringing with them creative projects and innovative ideas to help spread the message of Jesus. Donors and institutional partners are embracing this strategic initiative, and individuals who were once lost are receiving the Good News!

Reaching EveryONE Requires EveryONE. We cannot do this without you! Thank you for joining the journey towards history's most significant decade of Great Commission effort!
