EVERYONE
 INITIATIVE FUND ANNUAL REPORT

WHOEVER BELIEVES

For God so loved the world, that he gave his only begotten Son, that whoever believes in him should not perish, but have everlasting life. John 3:16

Jesus died for EveryONE, and He desires for EveryONE to know Him.

As we consider the magnitude of His sacrifice, the intensity of His passion, and His open invitation for the lost, we are compelled to respond. Millions upon millions around the globe have yet to hear, and His people remain God's chosen vehicle for the salvation of one and all.

In 2033, we will celebrate the 2,000 year anniversary of Christ's Crucifixion, Resurrection, Ascension, and the outpouring of the Holy Spirit on the Day of Pentecost. How wonderful would it be if by this year we could lay at the feet of Jesus the most significant Great Commission effort in the history of the world.

To facilitate this vision, the Empowered21 family around the world established the EveryONE Initiative Fund in 2023 to ensure that the radical generosity of our leaders, churches, and organizations could meet and accelerate the efforts of the most impactful evangelistic initiatives around the world. To date, we have seen over 24.9 million people receive a clear presentation of the Gospel through the work of 145 ministry partners on 183 projects in 110 nations.

Thank you for saying yes to Jesus and trusting us to continue to do all that we can to see every person on Earth receive the Good News of Jesus.

EVERYONE PRAYER

God of the universe, yet God of every single daughter and son

We come to you as Shepherd of the ninety-nine who deeply loves the one

Reveal yourself to every individual
Meet them as you continue to meet us

May everyone on Earth have an authentic encounter with the risen Jesus

We need you, Holy Spirit to miraculously open the eyes of the lost

Let your power and presence come to everyone as it did at Pentecost

Send everyone of us in the name of the Father, Spirit, and Son

To go into all the world and preach the Good News to EveryONE

Amen.

A NEW CHURCH IN BENIN

Pastor Jeanot, pictured to the right, graduated from Bible school and moved to Sakété, Benin, ready to pastor his first church. Behind him, you can see his church building in progress. At the same time, our frontline ministry partner, Gospel Outreach Ministries, was holding a four-day crusade in Sakété. During this crusade, **45,000 people were reached with the Gospel and over 15,600 people came to Christ!** After the crusade, the new believers were connected with local churches to be in community and receive discipleship. **Among the churches receiving new believers was Pastor Jeanot's church.** The Sunday following the crusade, new believers began to come. Pastor Jeanot's new congregation met in a tent inside of the in-progress church and had their first service, marking a new beginning for both the church and the new believers.

A GOD OF EXPANSION

"Our partnership with Empowered21 has benefited us in numerous ways. It all begins with the people. Everyone there has been nothing but kind, encouraging, and supportive. There's nothing I can offer them except to preach the Gospel and praise God, that is exactly what they want. I believe God is a God of expansion, and I am always looking to increase our efforts. **Empowered21 helped enable us to grow from three crusades last year to five this year.** They have been with us from the start of the year, and because of their partnership, we have already surpassed what we saw God do in 2024, and as of this report, we still have one crusade to go."

SATURATING THE CITY WITH THE GOSPEL

“Through the generous support of the EveryONE Fund, our ministry has witnessed an incredible move of God. **This partnership has enabled us to reach far more people for Jesus during our crusades than ever before. The funding made it possible for additional evangelists to arrive weeks in advance to saturate the city with the Gospel**—going into neighborhoods, marketplaces, and schools to announce the upcoming crusade and share the hope of Christ. As a result, during the crusades themselves, thousands have been saved and healed by the precious blood of Jesus. Entire families and communities have been transformed. Because of the EveryONE Initiative partnership, multitudes have been swept into the Kingdom, and we are eternally grateful for their hearts to see the world reached with the message of salvation.”

- Ryan Aitken, Spirit of Revival Ministries

BLIND EYES OPEN

A man named Bhago had an eye condition causing him to go blind. He shared, “After visiting doctors and taking medication, I lost all hope of recovering. Then, a man named Mabashar visited my village and wanted to show me a movie. I told him I was unable to see, and he said, “This will be the last time you will say something like that.” Full of faith and encouragement, I joined those watching and heard music, words, and voices that were unfamiliar to me. Halfway through the movie, I heard of a blind man who called upon Jesus for help. I listened to their conversation and heard him shout for joy when he was healed. At that moment, I loudly called out to Jesus for help and felt someone touch my eyes. I instantly knew I was healed and ran to Mabashar to tell him. Mabashar explained that God alone is worthy of all our praises, and I raised my hands to thank Him.”

THE GOOD NEWS ON THE STREETS OF EUROPE

This summer, EveryONE Initiative Ministry Partner, Awakening Europe, took the Gospel to the streets of 37 major European cities in 23 nations through The Million Month project. This effort united and empowered the Church to share the Gospel across the continent through one-to-one evangelism. Churches and organizations from various backgrounds joined together pursuing one purpose: reaching Europe with the Gospel.

Over the span of two weeks, **73,754 people were reached with the Gospel and 7,320 made a first-time decision to follow Jesus.** In Porto, Portugal's second largest city, an Awakening Europe team was equipped and sent into the streets to share the Gospel. One day, they felt led to evangelize at a subway station. They started leading worship in the station, and many people stopped to listen to worship and receive prayer.

As they lifted their voices, a woman named Rita walked by and was captivated by the sound of worship. She came up to one of the team members and asked, "What are you doing?" As they talked, Rita shared, **"What is this? In my whole life, I've never felt such a great peace like this. I feel like crying out of gratitude."**

The team member shared the Gospel with her, and in that train station, Rita gave her life to Christ. The very next week, Rita was baptized at the beach and filled with the Holy Spirit.

"All of this happened in just a matter of days. Rita, who first encountered God's peace at a subway station was now baptized, filled with the Holy Spirit, reading the Word, attending church, and even evangelizing. What began as a simple moment of public worship turned into a story of salvation, restoration, and testimony that continues to touch lives to this day."

In addition to the Gospel impact of this project, **several new developments within the Church have emerged.** In Paris, France, Protestant and Catholic Churches are forming a plan for regular collaborative outreach in their city. In Thessaloniki, Greece, the Orthodox and Evangelical churches are uniting to continue evangelism efforts. In Valletta, the capital of Malta, we saw local churches come together and plan for ongoing Gospel centered projects, where there was no previous recollection of churches working together in recent years. **All across Europe, The Million Month has birthed a new wave of collaboration for the sake of the Gospel.**

HEALED AND RESTORED IN CHILE

“It seemed like just another ordinary day in the bustling market. Vendors were setting out their items as shoppers bargained for goods, and people hurried by—yet for one man named Miguel, this day would mark the beginning of a brand-new life.

One of our teams in Chile had set up a small speaker in the market, playing music to draw a crowd. They danced, laughed, and invited people closer so they could hear the Gospel.

Off in the distance, Miguel was listening. For two years he had walked with a cane, living with pain in his legs from a degenerative condition. One leg was shorter than the other. That morning, he said the Lord directed him to come to the very market where we had gathered.

After sharing the Gospel, our team invited those present to pray with them to receive Jesus. Then they began telling how Jesus not only forgave sins but also healed the sick—how He did miracles when He walked the earth and still does them today.

They had barely finished praying when commotion erupted to the side. A cane went flying, and Miguel began to dance.

In that moment of simple, childlike faith, Miguel believed the words he had heard and received his miracle. The pain in his legs was completely gone. As the team spoke with him, he told them his story, and they quickly realized the Lord wasn't finished yet. His one leg was still shorter than the other—so they prayed again. Right there in the middle of the market, before the eyes of everyone gathered, Miguel's shorter leg grew out. He stood tall and whole for the first time in years.

That morning, Miguel walked away not just partially healed but completely restored—a living testimony to the goodness and power of the one true, living God. And every person in that marketplace had a front-row seat to witness the miracle.” – Global Ventures

FOREVER CHANGED IN PAPUA NEW GUINEA

“The generous funding from the EveryONE Initiative has had an extraordinary impact on Believe Global, enabling us to expand our outreach and bring hope to countless individuals. **With your support, we’ve been able to reach over 93,000 people in Papua New Guinea in the span of one week**, sharing the message of love, hope, and transformation. But the true measure of this partnership is seen in the 14,755 lives that have been touched through salvation. Each number represents not just a statistic, but a person who has been forever changed.

Through your investment in our mission, we’ve been able to scale our programs and reach even more people with the life-changing message of the Gospel. The ripple effect of this support is profound - families restored, communities impacted, and individuals empowered to make a lasting difference in their own lives and the lives of others. We are deeply grateful for the EveryONE Initiative’s partnership and the incredible blessing you are to Believe Global. **Together, we are making an eternal impact.**” – Neil Smith, Believe Global

ENCOUNTERING GOD IN THE MIDDLE EAST

“My name is D**. I have always sought the truth. I grew up in a very religious Ahl-e-Haqq environment and sometimes even served in gatherings. Yet, I always felt something was missing. I claimed I speak with God and have peace, but deep in my heart, something whispered that this peace wasn’t real. When this couple started talking about Christ, I was very cautious but I felt a draw to explore. They were not pushy, so it encouraged a curiosity in me. I began to notice contradictions between what I had learned and the truth they were sharing with me and I desperately wanted to know whatever was the ‘real’ truth. As I opened my heart, I began receiving several signs from God. One day at work on the sixth floor, I saw a strange and magnificent

light in the sky that vanished within seconds. Another day, while lying alone in my room listening to worship music, I felt like I couldn’t breathe. My family could not hear me in my struggle but then I remembered the salvation prayer written at the end of the Bible I had been given. It was on the table by the bed. I reached out, grabbed the Bible, read the prayer... and in that moment, God’s power entered my heart. My voice—and tears—returned. I immediately became a follower of Christ. It was not long after that, that I received the gift of the Holy Spirit. I am so grateful for the persistent mentoring and pastoring I have received from H&H**. They met with me every week and took me through discipleship classes which I completed. They have also baptized me. I am eager to be used by God as I reach others with the truth that I have found.”

As we strive to share the Gospel with every person on Earth, we recognize the realities of sensitive access areas where non-connectional approaches and low-profile communication are necessary to ensure the viability of many projects and safeguard the identity of our partners. In 2025, we were privileged to come alongside multiple partners, making Jesus known courageously and creatively where the Gospel is least accessible.

** Due to the sensitive nature of this Gospel work, there are projects, locations, and stories that for security reasons we cannot publicly report on. We are so grateful for what the Lord is doing in some of the most difficult places on Earth and eagerly anticipate the harvest that is to come through these efforts.*

EVERYONE NATIONAL CAMPAIGNS

Our vision is to see entire nations experience unprecedented evangelization efforts through National Campaigns spearheaded by the **Global Evangelist Alliance**. These efforts are designed to unite the Body of Christ in a whole country, enabling a coordinated, collective impact far greater than any single organization could achieve alone. By bringing together diverse ministries, denominations, and associations, nationwide momentum can be generated through synchronized outreach, events, digital efforts, media campaigns, and prayer, thereby accelerating the spread of the Gospel.

In 2024, the Global Evangelist Alliance led the EveryONE El Salvador national campaign, where one-third of the nation heard the Gospel.

This year, we've launched the EveryONE Thailand campaign. **Home to more than 70 million people**, with a **Christian population of less than 2%**, the need for the Gospel in Thailand is both urgent and full of hope. With over **77 gospel projects and outreach events** planned across the country in all provinces, **our goal is to reach 7 million people together by the end of 2026**.

The EveryONE Thailand campaign launched on February 6, 2025, with a Pastors and Leaders Conference at Liberty Church in Bangkok. Over 2,000 national leaders were equipped with vision, tools, partnerships, and strategies to advance the spread of the Gospel in their communities.

Through outreaches, gospel trucks, and one-on-one moments of ministry, the name of Jesus continues to be proclaimed in every corner of the nation. From February to November 2025, we have seen:

-  **327,415** PEOPLE REACHED
-  **190,290** DECISIONS FOR CHRIST
-  **4,741** HEALINGS
-  **2,144** PEOPLE TRAINED IN EVANGELISM
-  **360** PEOPLE TRAINED IN DISCIPLESHIP

UPCOMING NATIONAL CAMPAIGNS

As we strive together to reach every person on Earth by 2033, we aim to launch the following national campaigns over the course of the next few years:

			
THAILAND	BURKINA FASO	SPAIN	CAMBODIA
2025-2026	2026-2027	2026-2027	2027-2028

EVERYONE FUNDING PROCESS

A distinctive feature of the EveryONE Funding Process is its thoughtfully structured application stages. The process ensures that the efforts and resources of both our generous donors and our remarkable frontline ministry partners are maximized and well-served.

1 MINISTRY APPLICATION AND VETTING

Potential ministry partners submit a comprehensive, multifaceted application. Applicants provide information about governance, measurable impact, and financial health.

2 PROJECT APPLICATION AND VETTING

Approved ministries submit projects, which are reviewed by our team to ensure the funding criteria are met.

3 FUNDING COMMITTEE REVIEW AND EVALUATION

The Funding Committee reviews each project, considers the evangelistic scope, ministry operational capacity, and projected impact. Applicants may receive requests for additional information.

4 GRANT AWARDS AND DISBURSEMENTS

The Funding Committee meets to consider each request, discuss the evaluation, and award, decline, or defer grant requests.

5 FIELD REPORT AND PROGRESS ASSESSMENTS

After receiving grant funding, our team works with the ministry partner to track the program's progress and assist if needed.

6 PROJECT COMPLETION AND FINAL REPORTING

Upon the project's completion, the ministry partner submits a comprehensive report quantifying the impact, and our team initiates debriefing conversations.

At the heart of the EveryONE Initiative is accelerating the proclamation of the gospel worldwide in unprecedented ways. This would not be possible without the synergy between the radical generosity of supporters and the willing obedience of frontline ministries going to the ends of the earth to share the Gospel.

Each of the Frontline Ministry Partners listed in this section has partnered with us to ensure that one more person hears the Gospel in places where it is least accessible. From Gospel Crusades in European capitals, to days-long hikes across the Tibetan plateau, from packed stadiums in Africa to the 2.2 million Salvadorans that heard about Jesus in our National Campaign, all of it is possible due to the effort, commitment, passion, and integrity of these partners.

Thank you, from all of us, for praying, sowing, and believing with us that Reaching EveryONE Requires EveryONE!

I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your partnership in the gospel from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ.
